Volume XIX Issue 7

Apr May June., 2018

## ***President's Message***

Greetings to all our Fulton family and friends. Much progress has been made in the preparations for our Nebraska reunion.

A good many have made their reservation with the hotel, and many have made their registration with me but not the hotel. You should make sure that both places are covered, in order to get an accurate count of attendees. September will be here before you know it.

So far, I have gotten promising responses from The Governor's Office, the Senate and House, and the Mayor's Office. Other surprises will be just that...surprises!

Omaha has a myriad of things to see and great restaurants to enjoy. Council Bluff across the river has Ameristar, Harrah's and The Horseshoe Casinos for those who indulge. Downtown Omaha has The Old Market with all kinds of small business, and eateries for your enjoyment.

Be sure to bring something from your home state to include in our auction. I have many collectable items that have been donated for our fund-raising efforts

Again, the Reunion will be held at the Omaha Comfort Inn and Suites on 7007 Grover Street, Omaha, NE.68106. Reserve your stay directly with the Hotel. Call 402-934-4900 and ask for the USS FULTON reunion dates 12 Sept. thru 16 Sept. 2018...

If you have trouble making your reservations ask for Alexis at extension 2103.

Ray

## ***Chaplain's Corner***

There once was older man who, after he became employed, repeatedly came into work late. His supervisor, knowing that he was former military, asked him what would be said to him if he came into work late there. His reply, "usually they would say Good morning, General."

I may not be late yet, but time is certainly getting away from me.

The last of the grandkids has graduated from high school, started working and is joining the Air National Guard. Julie and I travelled north for that. David is enlisting in the infantry and I had the pleasure of talking with recruiters.

Yesterday, I was telling my great-aunt that I was enlisting in the Navy. Do you mean to tell me that it was not yesterday?!

Actually, I have been sharing stories about the Navy with the oldest grandson, Airman Dylan Guhl, USAF.

Looks like I have been sharing stories with y'all.

I guess that you can do that with friends and family...and you are both.

Proverbs 18:24

A man that hath friends must show himself friendly: and there is a friend that sticketh closer than a brother      Bill

## ***New England Breakfast Bunch***
