

## 2027 Reunion News

The 2027 USS Fulton Association reunion is a year and a half away... but now is the time to start thinking about it. In the next few newsletters we will provide details about possible attractions & venues to visit and activities to participate in.

For starters, we know the location will be Lancaster PA. The timeframe is early September. The place we will be staying at is the Fulton Steamboat Inn. This a unique place dedicated to Robert Fulton, and the management is excited and looking forward to welcoming us aboard!

Robert Fulton was born just a few miles from the Inn's location, and the Inn is designed to resemble a steamboat from his time.
